

April 2006

## Position Statement of *Drallim Industries Ltd* Concerning the RoHS Directive (2002/95/EC)

*Drallim Industries Ltd*, are aware of developments in European Union legislation regarding the harmonization of member states' legislation with regard to the restrictions on the use of certain hazardous substances ("RoHS Directive" 2002/95/EC. & WEEE Directive 2002/96/EC). We have a program in place to ensure that where applicable our products satisfy both these directives with respect to the various categories of electronic products as defined in our product schedule.

Under the RoHS Directive, *Drallim Industries* is aware that after 1 July 2006 it will no longer be possible for companies to place on the market in the EU certain electrical and electronic equipment containing lead, mercury, cadmium, hexavalent chromium, poly-brominated biphenyls (PBB's) or polybrominated diphenyl ethers (PBDE's).

*Drallim Industries Ltd* design and manufacture equipment for:

**Monitoring & Controls:** process & control valves, compressor desiccator units for telecom & industrial applications, partial stroke testing for process, oil & gas industries, pneumatic automation & remote equipment, condition monitoring,

**Valves & Fittings:** pneumatic interlock valves, compression & pipe fittings and panel systems,

**Cargo Lifting:** cargo hooks, fittings & load measurement for helicopters, lashings & restraints for military and special purposes.

Acting on advice from National Weights & Measures Laboratory we have declared that our Monitoring & Controls products **do not** fall within the scope of the RoHS directive and are therefore exempt from this legislation. The following reason for exemption has been identified:

"This equipment is used only as "Monitoring and Control" devices and are therefore outside the scope of the RoHS Directive" (*RoHS Directive 2002/95/EC Article 2*).

As a BS8555 registered company, *Drallim Industries Limited* is committed to fully comply, where it is applicable with the RoHS Directive on or before July 1, 2006, The process we are following to ensure RoHS compliance is:

- Undertaking a constant review of our component and supplier base to verify supply chain ability to produce and deliver RoHS compliant products where applicable to the directive.
- Evaluating design and manufacturing processes in order to deliver RoHS compliant products.
- Designing (and redesigning) products by product family to meet RoHS-compliant specifications.

*Drallim Industries Limited* will begin shipping RoHS-compliant products as they are available. Announcements of RoHS/WEEE-compliant products will be posted to our web site at [www.drallim.com](http://www.drallim.com).

If you have additional questions, please contact us.

## Compliance Schedule for RoHS, WEEE & CE

PRODUCT RANGE	PRODUCT	COMPLIANCE		
		RoHS	WEEE	CE
<b>Fluid Control</b>				
<i>Couplings &amp; Fittings</i>	Complete Range	Compliant	N/A	N/A
<i>Mini Valves</i>	Complete Range	Compliant	N/A	N/A
<i>Pneumatic Interlok Valves</i>	Complete Range	Compliant	N/A	N/A
<b>Dry Air Technology</b>				
<i>Cable Pressurisation</i>	12440, 12450	Exempt	✓	✓
	12255, 12269	Exempt	✓	✓
<i>Portable Pressurisation Equipment</i>	12377	Exempt	✓	✓
	12434	Exempt	✓	✓
	13828, 13880	Exempt	✓	✓
<i>Waveguide Dehydrator</i>	12435, 12436, 12437	Exempt	✓	✓
<b>Cargo Handling Equipment</b>				
<i>Cargo Hooks</i>	Sacru No 1	Compliant	N/A	✓
	Sacru No 2	Compliant	N/A	✓
	Fast Rope	Compliant	N/A	N/A
	Load Weigh	Compliant	N/A	under review
<i>Lashings &amp; Restraints</i>	MC1, MC2	Compliant	N/A	N/A
	Over Centre Lashing	Compliant	N/A	N/A
	Quick Release Coupling	Compliant	N/A	N/A
<i>Accessories</i>	Buckles	Compliant	N/A	N/A
	Tensioners	Compliant	N/A	N/A
	Slings	Compliant	N/A	N/A
<i>Additional Equipment</i>	Shackles	Compliant	N/A	N/A
	Floor Pan Fittings	Compliant	N/A	N/A
	Rings & Chains	Compliant	N/A	N/A
	Cameras	Under review	N/A	N/A
	Emergency Release Cables	Compliant	N/A	N/A
<b>Remote Monitoring</b>				
<i>Communications</i>	Copper, Cellular, Fibre Optic	Under review	✓	Under review
<i>Monitoring System Components</i>	Remote Monitoring Units	Exempt	✓	✓
	Power Supply Units	Under review	✓	✓
	Cable Termination	Exempt	✓	✓
	Marshalling Boxes	Exempt	✓	✓
	Marshalling Manifold	N/A	N/A	✓
	Quick Connect Equipment.	N/A	N/A	✓
	GSM	Exempt	✓	✓
	SCADA	Exempt	✓	✓
<i>Sensors</i>	Temperature	Exempt	✓	✓
<b>Partial Stroke Testing</b>				
<i>Smart Valve Monitoring</i>	SVM100	Exempt	✓	✓
	SVM200	Exempt	✓	✓
<i>Limited Movement Testing</i>	SY687	N/A	N/A	N/A
	SY728	N/A	N/A	N/A
